All other teams will be randomly assigned to a group using a blind draw.

 - a. At least fifty per cent (50%) of the team's player's return from the previous year's Cup Team Roster.
 - b. The team is rostered and the players are registered with the same member association as they were the previous seasonal year.

 2. One (1) point for a tie
 3. Zero (0) points for a loss
- B. If teams have played a different number of games, an adjustment will be made to correct for the number of games played. *For example,*

2. *Team with three games has 7 points; team with four games has 10 points.*
3. *Four game team's 10 points are multiplied by 75% to determine weighted points (10 x .75 = 7.5 points).*
4. *Team with four games would advance with weighted points of 7.5 being higher than unweighted points of 7 for team with three games.*
